Gynaecology Fees

Self-paying patients

Patients are required to pay for all clinic appointments on the day of attendance. Payment can be made by credit/debit card, however, we do not accept AMEX.

Payments can also be made online www.clairemellon.co.uk and by bank transfer, using the following details:

Miss Claire Mellon LTD, Lloyds TSB, Account Number: 26298660, Sort Code: 30-96-64

Please ensure that you provide the invoice number as a reference.

Insured patients

Please be aware that insurance companies are very specific about what they cover, and there can therefore be shortfall.

We require that you send us your membership number and a valid authorisation prior to your appointment. Patients attending without the appropriate authorisation from their insurance company will be required to pay for the appointment and reclaim from their insurers.

Please note that most insurance companies do not cover routine check-ups, including smears and swabs. Settlement of account remains the patient's responsibility in the event of shortfall.

We only accept the insurance companies listed below. If your insurer is not on the list we kindly ask you to pay on the day of your appointment and claim back.
